HOTEL SUPPLIES

about us

We combine our different skills and vision to aim at minimizing your costs and maximizing efficiency. With our experience in hotel textiles we focus on providing you with high-quality products while also enhancing your business's profitability through cost-effective solutions. By working with us, you can be confident that you are gaining not only a reliable business partner but also a strategic solution partner that adds value to your budget.

Visiyon

At SOT Groupe, our mission is to maintain the highest standards of quality, durability, and customer satisfaction in hotel textiles. With every project, we strive to exceed our clients' expectations and deliver better service at every stage.

Mision

SOT Groupe aims to become one of the leading suppliers of hotel textiles in the Balkans and Europe. We are continuously evolving with innovative and sustainable solutions to solidify our leadership in the industry. As a global brand, we aspire to be recognized worldwide for the quality of our products.
